Arrival & Icebreaker

📍 Employees arrive safely

👤 First activity: the icebreaker

● New mechanic · not from the source PDFs

1

Two facing lines

~200 people: 100 face 100

2

Recognise. Write. Stick.

The timer starts. Know the person opposite? Write their name on a sticky note and place it on their forehead.

3

Fastest wins

The other becomes their follower and supporter.

4

Collect your crew

Rounds continue and followers keep joining their leader. 7 followers close the crew: a crew of 8.

A fast, physical way to break the ice — and see how well people really know each other.
